Welcome to this year's 2021 AAPI-Owned Holiday Gift Guide! We're so glad you're here.

The best part of gift-giving is knowing it's making someone's life a little brighter. At the Sacramento Asian Pacific Chamber of Commerce, we believe the best gifts are when everyone benefits - the gift-givers, the gift-receivers, and the businesses who provide them. For the second year in a row, we're sharing this gift guide so you can easily shop for holiday gifts and support local Asian American and Pacific Islander (AAPI) businesses, simultaneously!

According to the U.S. Census Bureau, 60% of surveyed Asian businesses in California reported a significant negative effect on their business due to the pandemic, compared to 40% of all businesses in California. The pandemic continues to disproportionately impact our AAPI small businesses, which are not only vital to our economy, but also to the rich cultural community in Sacramento. As you shop for the holidays, take this guide with you and remember to #ShopAAPI!

Whether you want to explore Sacramento's brick-and-mortar shops, or you prefer to shop online from the comfort of your own home, our AAPI-owned gift guide has the ideas you've been looking for.

A lot has changed over the past two years, but one fact always stands true in our community:

When small business wins, we all win.
