HAPPY HOLIDAYS

Welcome to the 2022 AAPI-Owned Holiday Gift Guide!

Every gift has a story. Whether it's jewelry for a loved one or a custom hoodie for your most fashionable friend, every gift given during the holidays has a special meaning.

At the Sacramento Asian Pacific Chamber of Commerce, we believe the story of your gift should start long before it's even wrapped. Shopping from small, local businesses promises that each purchase carries the perseverance, dedication, and love that small business owners put into their products.

AAPI-owned businesses have been disproportionately impacted by the pandemic, but the visionary entrepreneurs in Sacramento continue to share their talents with our community and play a vital role in our region's economy. As you shop for the holidays, we hope this guide gives you the perfect opportunity to give a gift with a story, and #ShopAAPI. From our team to yours, happy holidays!
